**ACCOMPLISHMENT REPORT**  
**January to June 2013**

The Games and Amusements Board (GAB), an agency attached to the Office of the President, is vested with supervisory and regulatory authority over professional sports and games in the Philippines. The accomplishments of GAB in the regulation and supervision of professional sports and games are as follows:

**I. BOXING AND OTHER CONTACT SPORTS**

For **Professional Boxing and Other Contact Sports Division**, the actual number of license applications from professional sports practitioners totaling 942 was above the target number of 906 by 4% for periods January to June 2013. This could be attributed to the continuing interest in boxing among local aficionados and growing interest on Mixed Martial Arts, not only by local promoters/organizers but also by foreign promoters such as One Fighting Championship (OneFC) of Singapore and Pacific Extreme Combat (PXC) of Guam, both of which have staged various MMA events in the Philippines for the past two years. There was however lower number of permit applications for the holding of events by 26% with 65 lower than the target of 88, due to fewer promotions in the first semester of 2013.

All applications for licenses and permits for periods January to June 2013 were acted upon within two days upon receipt of applications. Likewise, there were no reported violations in the licensing/registration and in the actual monitoring of professional sports and games (as shown below). This can be attributed to the continuous trust and confidence of professional sports promoters/organizers to the effective supervision and regulation by GAB personnel.
